Roblox Corp. recently went public as well, which raised the company's market cap to \$38 billion. The company

went public via a direct listing instead of an initial public offering and the company's stocks were trading over 40% higher than the price during the private financing round. As the game continues to grow, the developers have a number of things planned for the game, including a display name change update and a voice chat feature.

You could set up a private party in Roblox's dedicated space, which can almost feel like a virtual rave. But I'd expect that more Roblox birthday parties look like a bunch of friends opening up the app, partying up, and just jumping from game to game and world to world right from the launcher. In the span of an hour, you can hop through all kinds of different experiences because the app loads everything really quickly, which means it's pretty easy to replicate the chaotic energy of a real kids' birthday party.

If you could see this writer right now, he'd be doing a great big shrug.

Technology circles have long believed some version of this vision can and will feasibly exist – Stephenson himself now works at augmented reality start-up Magic Leap – even if what that would look like exactly when transposed into today's world is still quite unclear.

That's a tough question to answer, actually. Often, playing a "good" Roblox game or even being good at a game is secondary to just hanging out with your friends. A lot of games lean into this more relaxed vibe by focusing heavily on roleplaying elements — and I mean roleplaying in the most literal sense of the term. In one game I tried, I worked at a pizza parlor. In another, Animal Simulator, I galloped around a virtual world as a horse.

There are three tiers of monthly memberships available for Roblox players. As a member, players get a variety of goodies every month and can even benefit from premium options on custom servers.

Some people refer to what we're building as the Metaverse," David Baszucki, CEO of gaming company the Roblox Corporation, told the crowd that had assembled virtually to hear the company's pitch to investors in February of this year. "We're shepherds of the Metaverse." When Roblox went public a month later, it quickly found itself valued at \$45 billion. That's more than gaming giant EA, as well as the might of Ubisoft, Take Two and Square-Enix combined. Clearly, there's a significant amount of faith in Roblox's promises. But can Roblox actually build a Metaverse?

A lot of people who play Roblox games on a regular basis have been looking for a way to get more Robux and not spend any money in order to do so.

Before we go into how you can get free Robux in Roblox to spend on in-game items or services, let's take a closer look at the in-game currency itself.

A good year or so I wrote an article called 'What is Roblox?'. At the time I was new to the game that my young son had started playing and thought it a good idea to educate people on what the 'game' actually was. After playing with my son for over a year on Roblox I felt it was time to rewrite the article as there is plenty that the original didn't cover.
